# SKUDUCTION

## Repair More. Stock Less.

SKUduction is a innovative program for contractors and repair technicians that simplifies repairs, enabling quick resolutions on the first call at the best price.

When we develop a SKUduction item, we work with a team of engineers and industry veterans to;

1. Identify a candidate for SKUduction.
2. Find the most efficient and technically proficient way to combine SKU's.
3. Develop a high quality, cost effective, product that meets our exacting standards.
